# Fantasy world A perfect world

A perfect world would look like a clean drip of water. The earth's surface would have no pollution. Water pollution, Air pollution. There would almost be no endangered animals. There would be no plastic in the seas, oceans, lakes, rivers.... No people would be committing crimes, suicide. No one would try to do anything illegal. No one would steal cars, purses, kidnap people, kill people. The weather would be very beautiful, sunny hot. People would be grateful, good. The people and families would have a mother, father, brother or a sister, dog or cat.... The police stations would be useless, the markets will be more effective, The world wouldn't need any kind of war because everyone is very happy with everything.

Who lives there,  
The perfect family

The buffaloes are the friendliest people on earth, they love everyone, they have a beautiful house, very decorated and tall. They wake and get up at 8:00 am, they all have breakfast at the dining table at 9:00, then they go to work: dad goes to a factory, mum goes to a tall skyscraper, and the son goes to school and does his homework.
